Funds sought for new Veterans Park monument

July 30, 2017

Staff Reporter Tim Stanley | [Tulsa World](#)

The All Veterans Association of Tulsa and the Tulsa Marine Corps League have begun raising funds to place a new monument in the city's Veterans Park.

The proposed Gold Star Family Monument, recently approved by the city of Tulsa's parks department, would be a tribute to Gold Star mothers, fathers and relatives.

The Gold Star is a designation for families who have lost sons or daughters in service to the country's armed forces.

The fundraising goal for the monument is \$100,000, officials said.

Donations, through the nonprofit All Veterans Association, are tax-deductible.

The monument would be placed on the west side of the park, 18th Street and Boulder Avenue, near other memorial monuments.

The project is in conjunction with a national effort through the Hershel "Woody" Williams Medal of Honor Foundation to place such monuments in every state, organizers said.
